has made donations to World Land Trust's Buy an Acre Fund to purchase and protect

**Sixty four acres
of threatened wilderness habitat and all its wildlife**

11 October 2010 – 30 June 2018

Between October 2010 and December 2013, Connoisseur Dry Cleaning donations contributed specifically to the purchase and protection of forty two acres of tropical forest in the Misiones Province of northern Argentina and during the period January 2014 - December 2016 donations helped purchase and protect fourteen and a half acres in Ecuador.

Since January 2017, donations have been earmarked for WLT's Buy an Acre Fund which is currently supporting land purchase in Mexico, where our in-country partner is saving land for species including Jaguars, Black Bears and a huge diversity of bird, reptile and amphibian species.

Thank you for taking Positive Action
